I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My wife has benefited greatly by having Madison Pharmacy in Wisconsin compound prescriptions for her. Working with her doctor she was able to "fine tune" the Rx to relieve her symptoms of fatigue, etc. and be restored to vital health. We live in California and the draft MOU before you would prevent that kind of service — I strongly oppose.
